

This privacy policy is an electronic record in the form of an electronic contract formed under the Rule 3 of the Information Technology Act, 2000 and the Rules made thereunder and the amended provisions pertaining to electronic documents / records in various statutes as amended by the Information Technology Act, 2000. This privacy policy does not require any physical, electronic, or digital signature. Please read this document carefully. By using the Mobile Application/Website, you indicate that you understand, agree and consent to this privacy policy. If you do not agree with the terms of this privacy policy, please do not use this Mobile Application/Website. You hereby provide your unconditional/ explicit consent or agreements to Sharada Stores as provided under Section 43A and Section 72A of Information Technology Act, 2000.

This privacy policy is a legally binding document between you and Sharada Stores. This privacy policy will be effective once you accept the same (directly or indirectly in electronic form, by clicking on the clicking "Yes" tab or by use or the Mobile Application/Website by other means) and shall govern the relationship so created between you and Sharada Stores for your use of the Mobile Application/Website.

By using our services, you explicitly consent to the collection, recording, organization, structuring, storage, adaptation, retrieval, use, alignment or combination, indexing, sharing, disclosure by transmission, dissemination, or otherwise making available, restriction, erasure, or destruction of your personal data, as outlined in this Privacy Policy. We ensure that all personal data provided by you is processed in accordance with applicable data protection laws, including the Data Protection and Privacy Act (DPDP Act).

You have the right to request the erasure of your personal data, or to withdraw your consent for the processing of your personal data at any time. Such requests can be made by sending an email to us to Sharada Stores Upon receipt of such a request, we will take necessary actions in accordance with the DPDP Act, subject to any applicable legal obligations or requirements.

Please note that withdrawing your consent or requesting the erasure of data may impact your ability to use certain services that require processing of personal data.

1.1. Your privacy is important to us and we want you to know what information, including your personal and other information, we collect about you and from you and how we use that information. Personal information may be specified as the information that includes names, addresses, e-mail IDs, telephone number, mode of payment, etc.

1.2. When someone visits our Mobile Application/Website, our webserver automatically gather information that allows the Mobile Application/Website to communicate with the visitor's computer or device during the visit. We also collect information such as the number of visits to the Mobile Application/Website, which parts of the Mobile Application/Website visitors select, IP address (the internet address assigned to your computer from your Internet Service Provider), domain type, date and time of day. We use such information only for statistical purposes that help us design and administer the site.)

1.3. This is the privacy policy for the Mobile Application/Website. This privacy policy provides information on the processing of your personal data as a result of being:-

- i. One of our customers,
- ii. A visitor to the Mobile Application/Website and/or
- iii. A user of the Mobile Application/Website

1.4. Because we're always looking for new and innovative ways to help you build meaningful connections, this policy may change over time. We request you to update yourself by accessing this Privacy Policy frequently.

2. Applicability

2.1. This Privacy Policy provides information on the processing of your personal data as a result of being:

- a. one of our customers of, including but not limited to our Mobile Application/Website users, etc. and
- b. a guest visitor to the Mobile Application/Website

2.2. This Privacy Policy applies to websites, applications, events, and other services operated by Sharada Stores. All of these are together defined as Mobile Application/Website/ services offered by Sharadha Store ("Services") in this Privacy Policy.

3. Information We Collect

Collection of your information is pertinent to provide you the services offered by us. We also collect information generated as you use our services. Details of information we collect includes but not limited to Name, addresses, phone number, email id.

4. Need for your Information

We need your personal information for the following services:

4.1. Development and improvement of services offered

We regularly conduct market research with our customers. We use your personal information for quality assessments and to improve your customer experience.

4.2. Offers and other information

As our customer, user of the Mobile Application/Website, you may receive general offers and information from us.

That other information for which we shall contact you:-

- i. Electronic newsletters with offers and general information.
- ii. Discount coupons from us.
- iii. To be able to send you the offers and the information we would use your personal information as provided by you. You may receive your General Offers by regular mail, email, SMS, Mobile Application/Website (through push notifications), social media, coupons or any other digital channels used by you.
- iv. You can at any time stop receiving offers and information by opting out via the Mobile Application/Website. We will delete or render anonymous any of your personal data that has ever been stored by us. However, we shall continue to maintain a database of the users who have chosen to opt out along with their reasons for the same.

4.3. Analytics

In order to be able to provide you our services to the best of our ability, we shall need to understand and analyse your information and preferences. For the same we shall analyse the following:-

- **Your use of the Mobile Application/Website and e-mails you receive from us:** This includes data regarding (i) the links you click on the Mobile Application/Website, (ii) your location based on your IP-address, (iii) how you respond to or engage with e-mails sent by us, and (iv) how you use the Mobile Application/Website (including your location as obtained through our Mobile Application/Website if this is something that you have previously consented to and compare this against other users (if you have consented to collection of your location) or your payments made by using the Mobile Application/Website.
 - a. Your participation in promotions
 - b. Your responses to surveys
 - c. Mobile Application/Website, coupons, social media, survey's, promotions and other digital channels.
- Technical and functional management of the Mobile Application/Website
 - i. When you visit or use the Mobile Application/Website, we process some technical information about you (such as your IP address, your location as obtained through our Mobile Application/Website if this is something that you have previously consented to, to be able to provide you the functionalities of our entire services and to manage them. With this technical information we are able to manage the Mobile Application/Website, for example to resolve technical failures or to improve their reliability.
 - ii. For the purposes defined above we process technical data such as the IP address, your location, details of the pages you have visited on the Mobile Application/Website, the web browser you use to surf, previous/subsequent Mobile Application/Website that you have visited and the length of your visit/session.

4.4. Marketing and research

We perform research into market trends through statistical or other analysis. We use the results of such research to evaluate our current services and to adapt our marketing and services to new developments. The research results are only reported on an aggregate basis.

5. Access to your Data

5.1. We shall not disclose your personal data unless necessary. However, your personal data in a readable or non-readable format might be shared with the following:

- i. Any agents, service providers and/or subcontractors of Sharada Stores and its affiliates; and
- ii. Any person to who Sharada Stores proposes to transfer any of its rights and/or duties.

5.2. We also use third parties for certain processes. The collected personal data may be transferred to authorized third parties, which may be located outside of the Republic of India as part of the services offered to you. As far as these third parties have access to personal data in order to execute these processing's, we have taken the required organizational and/or contractual measures to ensure that

your personal data is exclusively processed for the purposes mentioned above and that adequate levels of protection have been implemented in order to safeguard your personal data.

5.3. Except as set out in this Privacy Policy, we will not disclose any personal data without your permission unless we are legally entitled or required to do so or if we believe that such action is necessary to protect and/or defend our rights, property or personal safety and those of our users/customers or other individuals. Only if we are required to do so by law by a Court summon or warrant, we will give access to your personal data as required by supervisory agencies, fiscal authorities and investigating agencies.

6. How We Share Information

In order to fulfil our role, responsibilities and duties, the main sharing of users' information is, of course, with other users. We also share some users' information with service providers and partners who assist us in operating the services, in some cases, legal authorities. Read on for more details about how your information is shared with others.

6.1 service providers and partners

- i. We use third parties to help us operate and improve our services. These third parties assist us with various tasks, including data hosting and maintenance, analytics, customer care, marketing, advertising, payment processing and security operations.
- ii. We may also share information with partners who distribute and assist us in advertising our services. For instance, we may share limited information on you in hashed, non-human readable form to advertising partners.
- iii. We follow a strict vetting process prior to engaging any service provider or working with any partner. All of our service providers and partners must agree to strict confidentiality obligations.

6.2. For corporate transaction(s)

In case we are involved, in whole or in part, in a merger, sale, acquisition, divestiture, restructuring, reorganization, dissolution, bankruptcy or other change of ownership or control, we shall share your both personal and non-personal information.

6.3. For Legal Purpose(s)

- i. We may without your permission, disclose your information if necessary:
 - to comply with a legal process, such as a court order, government / law enforcement investigation or other legal requirements;
 - to assist in the prevention or detection of crime (subject in each case to applicable law); or
 - to protect the safety of any person.
- ii. We may also share information:
 - if disclosure of the same would mitigate our liability in an actual or in a threatened lawsuit;
 - as necessary to protect our legal rights and legal rights of our users, business partners or other interested parties;
 - to enforce our agreements with you; and

- to investigate, prevent, or take other action regarding illegal activity, suspected fraud or other wrongdoing.

7. Usage of Cookies

7.1. The Mobile Application/Website uses cookies or similar technology as required. A cookie is a small text file that is sent to your internet browser/app so that we are able to recognize you when you return. We may use small graphic images known as 'clear GIFs' that work in conjunction with cookies to identify you and your use of the Mobile Application/Website. We may also use other technologies to store similar information within your Mobile Application/Website utilizing local shared objects or local storage, such as HTML, cookies, flash cookies and other web application methods.

7.2. Using these technologies we can collect data on the use of the Mobile Application/Website such as which pages are visited, your interaction with information on the Mobile Application/Website and the duration of your visit.

7.3. **Functional cookies**– We store cookies that are essential in providing the functionalities of the Mobile Application/Website. For instance, the cookies remember your preferences, such as language and region, your preferred petrol station, which remain as your default settings when you revisit the Mobile Application/Website. However, should you wish to do so, you can choose to reject or block the cookies set by us by changing your settings, or even delete the saved cookies using various methods pertaining your phone model and company.

7.4. **Web analytics cookies**– We may use third party cookies for web analysis. Such cookies allow us to analyse the usage of the Mobile Application/Website. This relies on aggregated statistical data that our authorized service providers provide Us and allows Us to understand the way you use the Mobile Application/Website. We may only provide such data to third parties if this is required by law.

7.5. **Advertising cookies**– We may use third party cookies for advertising purposes. We may use authorized service providers to serve advertising on the Mobile Application/Website and other sites on the internet. Such service providers may place cookies on your browser and may collect information that helps them identify your device, such as IP-address, or other unique or device identifiers.

7.6. We do not retain a cookie longer than necessary. We use session cookies and permanent cookies:

- i. A session cookie can track usage such as the webpages you visit and what options you use. When you close the internet browser, the session is ended and the cookie is deleted.
- ii. permanent cookie enables the Mobile Application/Website to recognize you at a subsequent visit. It remains on your system until you delete it. Please note that most browsers automatically accept cookies so if you do not wish cookies to be used you may need to actively delete or block the cookies. Note, however, that if you reject the use of cookies you will still be able to visit our sites but some of the functions may not work correctly and you may no longer be able to use all the functionalities of the Mobile Application/Website.

8. How we protect your Information

- 8.1. We have implemented industry level secure technology and policies with the objective of protecting your privacy from unauthorized access and improper use. Even though, we shall take utmost care to protect your personal information, we cannot assure you its complete safety. You are also required to note that in case of any force majeure event, we shall not and cannot be held liable for loss of any of your personal data.
- 8.2. We regularly monitor our systems for possible vulnerabilities and attacks and regularly review our information collection, storage and processing practices to update our physical, technical and organizational security measures and We may suspend your account without notice if we suspect or detect any breach of security.

9. Retention of your Data

By deleting the Mobile Application/Website we will close the applicable accounts as soon as reasonably possible. We will also close or deactivate inactive customer accounts and close accounts that are used in violation of this Privacy Policy or applicable Terms and Conditions. Personal data from closed or deactivated accounts will be deleted or rendered anonymous as soon as is reasonably possible. Under certain circumstances we will retain personal data from closed or deactivated accounts for longer, such circumstances being the prevention of fraud or to otherwise take actions permitted or required by law.

10. Children's Privacy

Our services are restricted to users who are 18 years of age or older. We do not permit users under the age of 18 on our platform and we do not knowingly collect personal information from anyone under the age of 18.

Privacy Policy last updated on 28th March 2025
